ALL THE ACTION THROUGH ONE INTERFACE

CINESTASH: A ONE-STOP SOLUTION FOR THE FILM INDUSTRY TO STORE, CONVERT AND DELIVER CONTENT

- **Reliable & cost-effective:** No fixed costs - no investment
- **Immediate access to all your assets:** Get back control
- **100% safe:** No data loss due to highly redundant storage
- **As easy as Paypal:** Start it and leave the nitty-gritty to us
- **Full integration of your current lab:** You love them? Use'em
- **Simplify workflows:** Deliver content with a few clicks

WHAT OTHERS SAY

*„**CINESTASH** has slashed our yearly lab expenses in half while completing tasks at twice the speed of anywhere else. Blue Fox could not be more pleased to be in partnership with them, and we will continue to contract with them exclusively in our digital future.“*

Will Weissman | Blue Fox Entertainment

*„Using **CINESTASH** has lifted our asset management operations to a new level. We can now supply clients with multi-terabyte package deals that had previously not been lucrative. Thanks to the cost-effective delivery through **CINESTASH** we have approached and won over several new buyers.*

*We can't thank **KDMS** enough for their consistently fast customer service. In our fast-paced business, it is a great relief to have found such a competent and reliable partner to plan the future with.“*

Linda Kujawski | Albatross World Sales

*„After many years of cooperation, **KDMS** has become a part of our team. They support us reliably and uncomplicated every year in all technical questions around our film festival. Without them – hardly imaginable!“*

Ralph Surber | Schwule Filmwoche Freiburg
